

STANDARD FORM NO. 64

~~SECRET~~

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : 25X1A9a  
[REDACTED]

DATE: 6 Sept 63

FROM : Chief, St/P/C/RR

SUBJECT: Release of Controlled Information as SECRET

Please review the following paragraph to determine if it may be used as SECRET only in an Intelligence Statement for the 1963 COCOM list review. The source citation will not appear in the document.

"In the fall of 1961 it was reported that a West German firm would not be allowed to supervise the erection of a plant it was providing to the USSR because the site of the plant must remain secret. The reason given was that the glass-fiber reinforced boards to be manufactured at the plant could be used to make jeeps, automobiles, and rocket components." [REDACTED]
